

THE DUBIN CENTER

Where no one faces dementia alone.

Dear Community Supporter:

In recognition of National Alzheimer's Awareness Month, the Dubin Center is celebrating the 26th Annual **Brushstrokes from the Soul** event showcasing artwork created by individuals in southwest Florida who are living with dementia. The event will be held at the **Sidney & Berne Davis Art Center** in historic downtown Fort Myers on **November 3th, 2022** from 5-8:00 pm.

This event will pay tribute to individuals and families living with dementia in southwest Florida. Over 200 guests will be in attendance to view the artwork, enjoy live music, a cocktail reception with gourmet bites along with a silent auction. The heart of the evening follows with a live auction focusing on imaginative packages including dining, travel, entertainment, art and much more.

There are over 70,000 individuals living with dementia in southwest Florida. The Dubin Center is a local resource and support center for caregivers and persons living with the dementia. Our vision is that ***No one will face dementia alone.*** I would like to ask for your support for this event. Enclosed is information on how your business can donate to this special evening and what you will receive in return. Please contact the **Dubin Center** or me with any questions you may have.

The Mission of the Dubin Center is to achieve caregiver health, strength, and resilience by providing education, information, hope and compassion.

Thank you for your support.

Warm Regards,

Lynne Thorp, Executive Director
